

Longshore Safety Tip

October 2011

REQUIRED PPE ON MARINE TERMINALS

UNACCEPTABLE SAFETY VESTS

When working on a Marine Terminal, a safety vest must be worn at all times.

The vest must be of a high visibility color and made with reflectorized material.

If you purchase your own safety vest, it must comply with the ANSI 107-1999 standard. It will be listed on the tag.

Grey, Brown, Black and other dark materials are not considered a high visibility color.

Follow the Safety Rules

Wear your PPE!

High Visibility Safety Vests must be worn at all times.

Hard Hats

PCMSC Rule 651 states that employees are required to wear a protective helmet at all times when working in areas where there is a potential for injury to the head from falling objects.

Safety Vest

PCMSC Rule 1154 states that employees working within a Marine Terminal shall wear a high visibility vest that is marked with reflectorized material.

**REMEMBER.
THEY ONLY WORK IF YOU USE THEM.**
